

# Work supporting a range of *health* professionals

**There is growing demand for skilled and qualified workers right across the health and care sector throughout Australia. This nationally recognised course is delivered as a traineeship to those who have permanent part-time or full-time employment in an appropriate workplace.**

Allied Health workers provide assistance to health professionals involved in the care and rehab of clients. After successfully completing this course, you will have the skills and knowledge required to work in a wide range of health assistance roles where you provide direct contact to clients under supervision.
