# Barista Basics

\$125 | MELBOURNE CBD | 5 HRS

Our barista basics class teaches you the foundation skills of coffee making from the very beginning. You will leave this course knowing how to use the espresso machine, extract espresso, froth milk and make all the coffees on an Australian coffee menu.

*Book  
online*

## What students learn

- How to set up for service
- How to use an espresso machine
- How to texturize your milk
- How to pour to create the different coffees you will find on an Australian coffee menu
- Clean and maintain the coffee machine/area

## 5 hour

## Barista Basics Short Course
